[9. Emission Reduction - LDEQ Monthly Progress Report - September 2017 \(1\).pdf](#)

---

Updates from LDEQ. The chart show the RTO is installed and they are assessing impact of hurricanes, days lost on the RTO construction, on its startup in Dec. No exact dates, Sam, but we will ask LDEQ for that.

Dear Lourdes,

On behalf of Denka Performance Elastomer, LLC (DPE), pursuant to the Administrative Order on Consent (AOC), Section V-F, dated January 6, 2017, attached is DPE's Monthly Progress Report and cover letter for September 2017 in connection with the DPE Emission Reduction Project. Please let me know if you have any questions.

In addition to the report and cover letter I am including two recent pictures of the RTO construction activities.

A hard copy of this monthly report including the cover letter will be sent to your attention.

Yours very truly,

Jorge Lavastida
